

2023 AT A GLANCE

Berkeley Physics Students and Faculty

Undergraduate Majors

333

257 male physics majors
71 female physics majors
2 nonbinary physics majors
3 prefer not to say

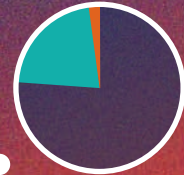

122 transfer students
110 BA degrees awarded in 2022-2023
35 BPIE (Berkeley Physics International Education) cohort

Graduate Students

259

198 male physics grads
56 female physics grads
5 prefer not to say

20 countries
45 Ph.D. degrees awarded in 2022-2023

Physics Faculty

62

active
faculty
members

4

Nobel
Laureates

34

emeritus
faculty

25

members of
National Academy
of Sciences

Berkeley Physics Alumni Nobel Prize Winners

1955 Willis Lamb (BS '34, PhD '38)
1997 Steven Chu (PhD '76)
1998 Robert Laughlin (BA'72)
2000 in Chemistry: Alan J. Heeger (PhD '61)
2004 David Gross (PhD '66)
2006 John C. Mather (PhD '74)
2011 Saul Perlmutter (PhD '86)
2012 David J. Wineland (BA '65)
2017 Barry C. Barish (BA'57, PhD '62)

Berkeley Physics Nobel Laureates

1939

Ernest O. Lawrence

1951

Edwin McMillan

1959

Owen Chamberlain
Emilio Segrè

1960

Donald Glaser

1964

Charles Townes

1968

Luis Alvarez

2006

George Smoot

2011

Saul Perlmutter

2014

Eric Betzig

2020

Reinhard Genzel
