

Completion of Physics Minor

| |
|---|
| eForm # _____ Date entered _____ By _____ |
| Date Verified/Appr _____ By _____ for _____ Semester / Year _____ |

Student Name _____ SID _____

Student Signature _____ Date _____

A list of L&S minor programs can be found in the Berkeley Academic Guide <http://guide.berkeley.edu/undergraduate/degree-programs/> If you are pursuing more than one major or minor, please use additional forms as necessary for each major and minor.

I am requesting a waiver of the overlap verification. There are no upper division courses that can count towards both my major and minor programs. Please complete Section One of this form, obtain a signature from your Major Advisor, and then submit to a Physics minor advisor.

My minor and major have upper division course requirements in common. Please complete Section One and Section Two of this form. Obtain a signature from your Major Advisor, and then submit to a Physics minor advisor.

SECTION ONE - PHYSICS MINOR PROGRAM

Pre-requisite and/or Lower Division Minor Courses (completed and/or currently enrolled in) Note: You must take all 5 series or 7 series courses together or use 49 to make up the topic if taken out of order.

| Dept/Course | Semester Completed | Where Completed | Grade |
|--------------------|--------------------|-----------------|-------|
| Phys 7A/5A | | | |
| Phys 7B or 5B/5BL | | | |
| Phys 7C or 5C/ 5CL | | | |
| Phys 89 | | | |
| Math 1A | | | |
| Math 1B | | | |
| Math 53 | | | |

Upper Division Minor Courses (completed and/or currently enrolled in)

| Dept/Course | Semester Completed | Where Completed | Grade |
|-------------|--------------------|-----------------|-------|
| Phys 137A | | | |
| Phys 110A | | | |
| or Phys 105 | | | |
| Phys | | | |
| Phys | | | |
| Phys | | | |

SECTION TWO - MAJOR PROGRAM:

Upper Division Major Courses (completed and/or currently enrolled in)

| Dept/Course | Semester Completed | Where Completed | Grade |
|-------------|--------------------|-----------------|-------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

Upper Division Major Courses (continued) (completed and/or currently enrolled in)

| Dept/Course | Semester Completed | Where Completed | Grade |
|-------------|--------------------|-----------------|-------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

I plan to use this course _____ to fulfill both a major and minor requirement.

TO BE COMPLETED BY THE MAJOR & MINOR ADVISORS: I have reviewed and verified this information to be accurate.

Completion of Physics Minor Instructions

This petition must be submitted to your Physics minor advisor no later than Friday of RRR week *the semester before* your Expected Graduation Term (EGT). If your semester before EGT is a summer term, the petition is due the final Friday of the last Summer Session (Session D). **Your EGT is posted on My Academics in CalCentral below your photo.**

You may have courses for the minor in progress at the time of your petition submission.

The purpose of this petition is to verify the courses you have completed (or have in progress) for the minor, and to confirm that no more than one upper division course will be used to fulfill both a minor and major requirement.

If you are pursuing more than one major or minor, you will need a form for each minor or major.

Instructions to Waive Review of Course Overlap Between Major and Minor:

If there is no possible overlap in upper division course requirements between your minor and major(s), (for example, between a major in Physics and a minor in English there are no upper division courses in common that could fulfill requirements in both programs) you may waive full review for overlap. Follow these steps:

1. Check the first box at the top of the form indicating a request for waiving review for overlap.
2. Complete Section One to verify the courses you have completed, or are in progress, that fulfill requirements for the **minor** you are pursuing.
3. Obtain a signature from your major advisor to confirm the waiver.
4. Submit form to your Minor Advisor.

Instructions for Major and Minor Programs with Upper Division Courses in Common:

If your major and minor programs have upper division courses in common, you will need to list all upper division courses you have completed (or have in progress) for each program, and confirm whether or not you plan to overlap one course between the major and minor by noting the specific course you will use to fulfill a requirement for both programs.

1. Check the second box at the top of the form indicating that there are common upper division courses between the major and minor.
2. Complete Section One and Section Two.
3. Obtain a signature from your major advisor to confirm whether or not you will elect to use a course overlap.
4. Submit form to your Minor Advisor.
