

# REYES

Remote Experience for  
Young Engineers and Scientists

## JOIN OUR SUMMER 2026 PROGRAM: JUNE 15 - JULY 10

Join the **Remote Experience for Young Engineers and Scientists (REYES)**, a program designed to increase STEM-H literacy while inspiring and training the next generation of scientists.

This unique virtual learning experience offers guest lectures in a variety of STEM-H subjects, along with activities built around research-based projects.

Registration is free and open to the public.
